

Pre-filled Templates for FedRAMP

Overview

MindPoint Group's pre-filled templates for FedRAMP, provide customers with the easiest route to FedRAMP compliance. We're offering a subscription to updated FedRAMP templates that give you teams the information they need to be successful in your compliance journey.

Features

- | **Comprehensive.** The templates are pre-filled with Policy and Procedures that meet the NIST 800-53 controls for a FedRAMP Moderate. The template library consists of roughly 40 documents each, around of 2-10 pages in length. The customizable areas are clearly marked so you can tailor to the specifics of your organization and system.
- | **Expertly written.** The MindPoint Group team has delivered hundreds of FedRAMP assessments and audits with excellent success. In fact, our team is the only FedRAMP 3PAO ever to have passed our audit with zero findings. It's this expertise that we deliver in our templates and the ongoing support.
- | **Convenient format.** Our templates are provided in a combination of industry-standard Microsoft Word and Microsoft Excel formats.
- | **Expertly supported.** Few organizations will succeed with a FedRAMP ATO completely on their own. MindPoint Group is here to help. A template subscription includes access to our team of experts to answer your questions about how to best use the documents and possible advice on best practices, tool selection, and control implementation. Don't go at this alone! deliver in our templates and the ongoing support.
- | **Digital delivery.** We deliver the documents digitally. Click, pay, download, and you're ready to get started.
- | **Pre-filled for FedRAMP Moderate.** FedRAMP Li-SaaS, Low, and High are all coming soon.

Benefits

- | **Save hundreds of hours.** What information do you need to collect and submit for your accreditation? Our pre-built templates layout all the information you need while informing you of any gaps in your existing processes and procedures.
- | **Get answers you need with expert helpdesk access.** Our FedRAMP experts will help eliminate confusion by providing direction, advice, and minor documentation reviews as you work through the templates.
- | **Stay informed.** Our goal is to increase our transparency and accessibility to the FedRAMP process for our customers. With your subscription, we provide template updates as the FedRAMP Program Management Office (PMO) updates requirements.

Support

Our FedRAMP experts are ready to provide your team with the support they need to achieve your FedRAMP goals.

- | **Technical assistance.** We will answer specific formatting and template-use questions.
- | **FedRAMP question and answer.** We're well-versed on the expectations of the FedRAMP PMO, and we're here to answer template content questions.
- | **Template updates.** As the FedRAMP PMO makes standards changes and updates, we will make sure you're up-to-date on all new requirements.
- | **Advice on tool selection.** Advice on tool selection. Need guidance on your technology choices? We'll recommend tools and technology to meet the required controls.
- | **Control implementation technical assistance.** MindPoint Group's support will provide technical advice and direction for the best control implementation for your organization.
